Tackling disadvantage, creating opportunities

Dear Customer

TRADE WASTE & RECYCLING COLLECTIONS

It is with deep regret that I write to inform you that we will be withdrawing our waste and recycling collections with effect from the 31st January 2018.

As you are aware it has been a difficult year for us following the end of our contracts with Powys County Council and whilst we have seen the trade service grow in the past 12 months unfortunately we have also seen a decline in both the value and demand for the recyclable materials we sort and bale.

The Trustees have taken the hard decision to close the recycling centre in Trewern but hope to be able to continue to meet their charitable objectives of offering training and employment to those disadvantaged in the jobs market in some other way.

We would like to thank you all for your support and custom over the years and hope that your own business goes from strength to strength.

Yours sincerely

Sue Packer
